

AP US HISTORY

SUMMER ASSIGNMENTS

The summer reading list is indicated below. Please have all assignments read and be prepared for a **test** over this material the **second day** of class.

Read:

The Jungle by Upton Sinclair

Any paperback version will do, but try to pick one with larger print.

This book is the most difficult to read, so read this one first and the other will be a breeze.

It is easier to read if you Anglicize the Lithuanian names. Marija = Maria
Elzabieta = Elizabeth.

Chapters 1 - 3 of the Textbook, *An American Pageant* by David Kennedy, 16th edition.

Take notes!!

We are getting new textbooks, and we hope these books will arrive in time for you to finish this assignment, however, if they are not, work on *The Jungle*!

Purchase for in-class work:

Killers of the Flower Moon by David Grann (2017)

About \$15 in paperback.

10 Days That Unexpectedly Changed America by Steven M Gillon (2006)
