4-6th grade: <https://www.youtube.com/watch?v=hdwdZs7GcFE> (I suggest parents watching this video first and then summarize for students. It has some interesting information about the origins of playing cards, but is formatted for adults.)

Weeks 3-4:

1. Create a guided linear drawing of a king/queen using black tempera paint. Allow to fully dry.
2. Add color using tempera paint. Use metallic paint or oil pastels to color the crowns or jewelry.
3. Decorate with glitter or glitter glue.
