

Summer Packet for 2nd Graders!!!

Dear Parents,

We know you want your child to be prepared for next year. It is important to have a great summer, be a kid, and relax. However, please remember when a child takes an extended break from academics there is some regression that occurs. Please take a little time each week to complete an assignment to help your child keep his or her skills fresh. Have a great summer!

LANGUAGE/WRITING

Keep a summer diary/journal of your weekly adventures and activities. Write in complete sentences and include adjectives and adverbs to make your writing interesting.

MATH

MATH FACTS: in 2nd grade we work on solving 100 addition facts in 5 minutes and 100 subtraction facts in 5 minutes. **Math-drills.com** is the perfect website to print off addition and subtraction facts to be completed once a week. Start off timing for 10 minutes and slowly decrease by one minute.

READING

Read at least two grade level appropriate chapter book.

You can use ARBookfinder.com for a list of grade level books. Click on “Advanced Search” and ZPD range should be between 2.0 and 4.0

COMPREHENSION: In reading class, students will be finding main ideas, finding details, drawing conclusions, making inferences, following directions, using words in context, identifying cause and effect, and recognizing the problem and solution in stories.
