

Hey everyone!

I know that the last thing you want to think about right now is summer AP work. I'm right there with you! Some time to live life sounds fabulous right now.

However, AP is an intense class, at the college level. To cover all of the material necessary for the course, you need to have a jump start. We do not have time to watch the films that will help you understand the material we will be covering in class, so I would like you to watch them at home this summer. They are great films and I believe most are on Netflix or Xfinity On Demand.

If you have any questions about this, contact me at [gwalls@shshattiesburg.com](mailto:gwalls@shshattiesburg.com). I will try to get back to you as soon as I can, but be aware, I do not check it everyday. If all else fails, text me at 601.554.6006, and be certain to tell me who you are.

Have a great summer!

**You WILL** have a test on this book the second day of school.
