

7th-12th Grade Dress Code 2021-2022

Sacred Heart Catholic School students wear uniforms to provide a sense of pride and respect. Uniforms downplay materialism and eliminate problems associated with inappropriate attire in the academic setting. Much effort has been put into the decision-making process regarding the dress code, and parents are urged to review the entire dress code prior to purchasing any items.

By agreeing to be a Sacred Heart student, it is inherently agreed that families will follow the school's dress code policy. **All uniform clothing items must in the style specified by the school and be purchased from school-authorized retailers listed in the dress code. Shoes and accessories may be purchased from any retailer. Non-compliance with the dress code will result in disciplinary action, including a phone call to parents to deliver appropriate apparel. THE PRINCIPAL HAS THE RIGHT TO AMEND ANY PART OF THIS DRESS CODE.**

- Whenever students are dressed in the school uniform, it is expected that they represent the school in a positive way. Students are asked to adhere to the entire dress code when dressed in any portion of the uniform, regardless of whether or not on campus. This includes jewelry and other accessories.
- New monogrammed items must be purchased and monogrammed by Uniforms & Accessories. Unlawful use of the school logo is prohibited. Items monogrammed by other vendors may not be worn.
- Out of uniform days must be approved by Administration and must be on the school calendar.
- **Parents will be required to replace uniform items within 5 days of notification of poor condition, improper fit or improper style.**
